

**REMARKS**

This Amendment is in response to the Office Action dated March 9, 2009, in which claims 1-23 were allowed and claims 24 and 26-29 were rejected. With this amendment claim 24 is amended and claims 1-24 and 26-29 are presented for reconsideration and allowance.

In the Office Action, claims 24 and 26-29 were rejected under 35 USC § 102(b) as being anticipated by Griencewic (U.S. Pat. No. 5,801,919), hereinafter Griencewic. Claim 24 is amended to further distinguish Griencewic and require “moving a display housing containing a display from a first position in which the display is located in front of the camera and covers a lens of the camera to a second position horizontally adjacent the first position so that the lens of the camera is uncovered and the display is located along side the camera” and “uncovering the display when moving the display housing to the second position so that the lens of the camera faces forward and the display faces rearward”. (See FIGS. 2 and 9). In contrast, Greiencewic moves a lens 124 vertically between a first position where lens 124 is located beneath a top surface 74 of a laptop and a second position where lens 124 is above the top surface 74 of a laptop. Greiencewic; FIGS. 10-11. Since Greinencewic fails to teach or suggest the elements required by claim 24, claim 24 and dependent claims 26-29 are allowable over this reference.

All of the pending claims (1-24 and 26-29) are believed to be in a condition for allowance. Notice to that effect is respectfully requested.

The Commissioner is hereby authorized to charge any additional fee required under 37 C.F.R. 1.16 and 1.17 and credit any overpayments to Deposit Account No. 11-0982.

Respectfully submitted,  
KINNEY & LANGE, P.A.
